I guess I'm trying to say I'm sorry
But it always comes out wrong
I think a part of you still loves me
Even though we're moving on

Always, all ways I wanted us to be
Always, all ways you and me

And I wait here on my own
And I wait for you to see
All the time I spend alone now
Won't comfort me
Always, all ways

And I'm sorry for what happened
But I want you there to see
That I'm changing all my actions
I don't wanna set you free

Always, all ways I want to see you through
Always, all ways me and you

And I wait here on my own
And I wait for you to see
All the time I spend alone now
Won't comfort me

'Cause I'm waiting for you
Yeah, I'm waiting for you
Give me answers, get me through
I will wait

Always, all ways I wanted us to be
Always, all ways you and me

And I wait here on my own
And I wait for you to see
All the time I spend alone now
Won't comfort me, yeah, yeah, yeah

'Cause I'm waiting for you

And I'll wait here for you
Give me answers, give me through
I will wait

'Cause I'm waiting for you
Yeah, I'm waiting for you
Give me answers, get me through
I will wait

Always, all ways
