Into your heart!
So, Listen up everybody, call up (one of your friends),

But if you don't come, then you won't be missed.
And if you weren't invited, it doesn't mean that you
won't still (be) my friend.

Chorus

Para Todas Las Putas Celosas (For All The Jelous
Whores)
Para Todas Las Putas Celosas
Para Todas Las Putas Celosas
Para Todas Las Putas Celosas

All night I screamed and shout.
Conditions goin out to all those invited with insecurity.
Never gonna let it break or slow down.
Never unleash the (who wins) the crown, forever.
