ONE!

One chance with life is all you get

TWO!

So pick your sides and place your bets

THREE!

Cause you know we've been here before

FOUR!

Won everytime but who's keeping score?

FIVE!

Still kicking, still alive

SIX!

We built this to survive

SEVEN!

Everyday is a blessing

EIGHT,NINE, TEN!

Here we go again!

Oh kid I've heard this all before,
Dont waste your time, dont be so sure,
I've seen them come, I've seen them go,
They thought they'd win, but now they know,
You aint the first to come and try,
Wont be the last to say goodbye,
Through all these years I still believe,
In bringing all our enemies
DOWN(x14)

(Chorus)

Sing it out, woah,

Bring it down, woah

Sing it out, my friend,bring it down again

Sing it out, woah,

Bring it down, woah

Sing it out, my friend,bring it down again

Stand down this fight can not be won,
It's over before it's begun,
Nowhere to hide, nowhere to run,
Who's on your side, your're still having fun
You aint the first to come and die,
Digging these graves for miles and miles,
Through everything we still achieve,

In bringing all our enemies
DOWN(X14)

Sing it out, woah,
Bring it down, woah
Sing it out, my friend,bring it down again(X3)

Sing it out, woah,
Sing it out, woah
Bring it down

(Bring the beat BACK)
