You were my sun
You were my earth
But you didn't know all the ways I loved you, no
So you took a chance
And made other plans
I bet you didn't think that this would come crashing
down, no

You don't have to say, what you did,
I already know, I found out from him
Now there's just no chance, for you and me, you'll
never see
And don't it make you sad about it

You told me you loved me
Why did you leave me, all alone
Now you tell me you need me
When you call me, on the phone
Girl I refuse, you must have me confused ...
With some other guy
Your bridges got burned, now it's your turn ...
To cry!
Cry me a river
Cry me a river
Cry me a river
Cry me a river, yeah yeah yeah

I know that they say ...
That some things are better left unsaid
But, it wasn't like you only talked to him and you know it
(Don't act like you don't know it)
All of these things that people told me...
Keep messing with my head
(Messing with my head)
You should've picked honesty
Then you may not have blown it

You don't have to say, what you did,
(Don't have to say, what you did)
I already know, I found out from him
(I already know, uh)
Now there's just no chance, for you and me, you'll

never see
(No chance, you and me)
And don't it make you sad about it

You tell me you love me
Why did you leave me, all alone
(All alone)
Now you tell me you need me
When you call me, on the phone
Girl I refuse, you must have me confused
With some other guy
(It's not like me, baby)
Your bridges got burned, and now it's your turn
(It's your turn)
To cry!
Cry me a river
(Go on and just)
Cry me a river
(Go on and just)
Cry me a river
(Baby go on and just)
Cry me a river, yeah yeah yeah

Oh
The damage is done
So I guess I be leaving
Oh
The damage is done
So I guess I be, guess I be, guess I be

You don't have to say, what you did
(Don't have to say, what you did)
I already know, I found out from him
Now there's just no chance, for you and me, you'll
never see
And don't it make you sad about it

Cry me a river
(Go on and just)
Cry me a river
(Baby go on and just)
Cry me a river
(You can go on and just)
Cry me a river
(Baby go on and just)
Cry me a river
(Go on and just)
Cry me a river
(Cause I've already cried)
Cry me a river
(Don't cry no more)

Cry me a river
Cry me a river, oh x4
(Cry me, cry me)
Cry me a river, oh x5
