Bar fight, week night
You don't look right, poor mite, no bite
Wake up, first light
This is what we live and what we see

Dance club, strip light
Get drunk, no sight, watch it ignite
Live it up tonight
Nobody really cares, but it's not for me

So raise your glass my son
We're telling everyone

Living in everyday combat
Day to day commuter riot
Shot down, dancing in the DMZ
And we will

Walk on, streets on fire
Caged in with razor wire
Shot down, living in the DMZ
Living in the DMZ

Times up, let's go
All that we know, release tension
You're my hero, after dark
Terror in the town high street

And I know
You can't stop full throttle
Get involved mate, broken bottle
Invasion, panic on the cold concrete

So raise your glass my son
We're telling everyone

Living in everyday combat
Day to day, commuter riot
Shot down, dancing in the DMZ
And we will

Walk on, streets on fire

Caged in with razor wire
Shot down, living in the DMZ
Living in the DMZ

Living in the DMZ
Living in the DMZ

Right, yeah

Let's go

Living in everyday combat
Day to day, commuter riot
Shot down, dancing in the DMZ
And we will

Walk on, streets on fire
Caged in with razor wire
Shot down, living in the DMZ
Living in the DMZ

Oh yeah, oh yeah
Living in the DMZ
Oh right, oh yeah
Living in the DMZ

Don't think you're safe 'cause it's not over
Don't think you're safe 'cause it's not over
Don't think you're safe 'cause it's not over
