"Heart On Loan"

The sun is setting behind those eyes
There's a part of you that'll realise you're wrong
I've watched the years go by, felt the tears you've cried
Rolling down you're cheeks from the saddest skies, oh

I won't break or sever, no

But you can't go on, with your heart on loan,
Little darling never gonna make it alone
Don't pretend you know, I won't let you go
Little darling, never gonna make it alone
I won't break or sever, no, no, no
This stays forever,

So busy making plans to enjoy your youth
Just get to take my hand and believe the truth
Oh no, oh no
Another time and a place as my own makes it
But from the morning light there is no defences

I won't break or sever, no

But you can't go on, with your heart on loan,
Little darling never gonna make it alone
Don't pretend you know, I won't let you go
Little darling, never gonna make it alone
I won't break or sever, no, no, no
This stays forever,

Your heart aches, whatever
Try to make this better
I won't break or sever,
This stays forever, Oh

But you can't go on, with your heart on loan,
Little darling never gonna make it alone
Don't pretend you know, I won't let you go
Little darling, never gonna make it alone
I won't break or sever, no, no,
This stays forever, No, no, no

But you can't go on, with your heart on loan,
Little darling never gonna make it alone
Don't pretend you know,
Don't pretend you know
Don't pretend that you know
