Woahohoh, Woahohoh, Woahohohoh
Woahohoh, Woahohoh, Woahohohoh

My soldiers march tonight in the city of your dreams
This beautiful army are tearing at your seams
Down on your knees, cure this disease
I'll take it all, everything I see
Oh, can't your hear this symphony?

Behind these walls we'll watch it fall
As our union crumbles into hell

It's not the end of the world now, baby,
So, c'mon, dry those tears (woahohoh)
It's not the end of the world now darling,
But I can see it from here

Oh baby, don't cry tonight, because your tears they will
gleam
Underneath this blood red moon I'm deafened by your
screams
Watch what you say, I will betray
My promises, they will decay
I'll make amends, but not today

Behind these walls we'll watch it fall
As our union crumbles into hell

It's not the end of the world now, baby,
So, c'mon, dry those tears (woahohoh)
It's not the end of the world now darling,
But I can see it from here

It's not the end of the world now, baby,
So, c'mon, dry those tears, woahoh
It's not the end of the world now darling,
BUT I CAN SEE IT FROM -
I CAN SEE IT FROM HERE!
I CAN SEE IT FROM HERE!

It's not the end of the world now, baby,

So, c'mon, dry those tears (woahohoh)
It's not the end of the world now darling,
But I can see it from here

It's not the end of the world now, baby,
So, c'mon, dry those tears
It's not the end of the world now darling,
But I can see it from here

Woahohoh, Woahohoh, Woahohohoh
Woahohoh, Woahohoh, Woahohohoh
