To every broken heart in here
Love once was a part
But now it's disappeared
She told me that it's all
But of the choices that you're make
And even when you think
You liked you have to give to take

But there's still tomorrow, forget the sorrow
And I can be on the last train home
Watchin' pass the day as it fades away
No more time to care, no more time today

But we sang
(If we're going nowhere)
Yeah, we sang
(If it's not enough)
And we sang
(Sing without a reason)
(To ever fall in love)

I wonder if you're listening
Pickin' up on the signals sent back within
Sometimes it feels like
I don't really know what's going on
Time and time again
It seems like everything is wrong in here

But there's still tomorrow, forget the sorrow
And I can be on the last train home
Watchin' pass the day as it fades away
No more time to care, no more time today

But we sang
(If we're going nowhere)
Yeah, we sang
(If it's not enough)
And we sang
(Sing without a reason)
(To ever fall in love)

But we sing, if we're going nowhere

Yeah, we sang, if it's not enough
And we sang
(Sing without a reason)
(To ever fall in love)

But we sang
(If we're going nowhere)
Yeah, we sang
(If it's not enough)
And we sang
(Sing without a reason)
(To never fall in love)
(To never fall in love again)
(To never fall in love again)
