All you got is this moment
The twenty-first century's yesterday
You can care all you want
Everybody does yeah that's okay.

So slide over here
And give me a moment
Your moves are so raw
I've got to let you know
I've got to let you know
You're one of my kind.

I need you tonight
'Cause I'm not sleeping
There's something about you girl
That makes me sweat.

How do you feel
I'm lonely
What do you think
Can't take it all
Whatcha gonna do
Gonna live my life.
