heard you laughing
youre gonna get
a lotta laughs
if nothing changes
boy, its time to go!
get in the car
get in the car
i'll keep it running
but you won't get far
we got velocity
the next stops atrocity
get in the car
get in the car
i'll keep it running
but you won't get far
we got velocity
I wanna be atrocity
i wanna gain atrocity
atrocity and she likes me
but its that tone in your laugh!
all the folks think
you're the best,
but i'm still the king.
buci in sun the king.
we're on the road to nothing,
but nothings gonna stop me
get in the car
get in the car
i'll keep it running
but you won't get far
we got velocity
the next stops atrocity

get in the car
get in the car
i'll keep it running
but you won't get far
we got velocity
i wanna be atrocity
atrocity and she loves me
i wanna be..whoa....atrocity

get in the car get in the car i'll keep it running but you won't get far we got velocity the next stops atrocity (x2)
