Alright!!!

With you it's never good enough
Because you want the stuff
That can change your future
You're lost amongst a sea of chance
And now the maya dance
Just gets you sinking deeper

It's ok don't apologise
You know what you're striving for
And you never seem to try
It's too early
Go live your life
Keep on moving it's time to
RIDE RIDE RIDE
NOW IT'S TIME TO
RIDE RIDE RIDE

Everything seems tempting
But nothing comes for free
I often wonder how you drive
When the road's too dark to see
It's too early
It's time to
RIDE RIDE RIDE

We light the fire to watch it burn
But when it comes your turn
All that's left is embers
We ran this race with no real heart
Yeah right back at the start
You know where you lost it

It's ok don't apologise
You don't know what you're striving for
And you never seem to try
It's too early
Go live your life
Keep on moving it's time to
RIDE RIDE RIDE
NOW IT'S TIME TO

RIDE RIDE RIDE

Everything seems tempting
But nothing comes for free
I often wonder how you drive
When the road's too dark to see
It's too early
It's time to
RIDE RIDE RIDE

Everything feels tempting
Don't know who to plea
I often wonder how you feel
When you're lying next to me

It's too early
IT'S TIME TO

YEAH-HEH YEAH-HEH YEAH-HEH
Don't run
YEAH-HEH YEAH-HEH
And after all I've done
YEAH-HEH YEAH-HEH
No answers

[You know it's not enough] X3
