Got it all too high, got it figured out  
I wanna do whatever, laugh until September  
And I seem to think that you are once here with me  
Maybe I was wrong, you were moving on

And I sit and wonder, falling under  
Get my way or nothing will move on  
Everyone has gone

You feel so empty, but got me a friend  
And I like it, aaahh!

And I know you say I cant care for someone  
But are you that clever that you'd smile forever  
Is it summer yet, cause I just dont feel it  
Maybe its a treaty, maybe you are not her

And I sit and wonder, falling under  
Get my way or nothing will move on  
Everyone has gone

You feel so empty, but got me a friend  
And I like it, aaahh!

Say now  
Got it for all of me  
Into what?
