All along I thought no one ever took me seriously  
Iâ€™ve stayed strong even though mostly I felt weak  
Time moves on never stopping to enjoy the sights of  
people  
Iâ€™ve proved wrong dancing to these symphonies

Some days it feels like Iâ€™m still getting nowhere  
Walking these circles round and round  
Iâ€™ve never been the one to turn my back or let you fall  
through  
Those cracks under your feet, Iâ€™ll help you off the  
ground

Some days are good,  
Some days are tough,  
Some days these dreams just ainâ€™t enough  
But when you're here with me that's all I need  
Sometimes we laugh,  
Sometimes we scream,  
But we still run to chase these dreams  
But when you're here with me that's all I need

Chase away the days just so we can spend these nights  
together  
Making plays for all the things left to achieve  
Love like waves always crashing down around us, yeah  
We drift away at the exact time that we meet

Some days it feels like Iâ€™m still getting nowhere  
I walk in circles round and round  
Iâ€™ve never been the one to turn my back or let you fall  
through  
Those cracks under your feet, Iâ€™ll help you off the  
ground

Some days are good,  
Some days are tough,  
Some days these dreams just ainâ€™t enough  
But when you're here with me that's all I need  
Sometimes we laugh,  
Sometimes we scream,

But we still run to chase these dreams  
But when you're here with me that's all I need

That's all I need, yeah, yeah  
You're all I need

Some days are good,  
Some days are tough,  
Some days these dreams just ain't enough  
But when you're here with me that's all I need  
Sometimes we laugh,  
Sometimes we scream,  
But we still run to chase these dreams  
But when you're here with me that's all I need

That's all I need  
That's all I need  
That's all I need  
That's all I need
