"Wait"

Always, All ways,
I wanted us to be,
1 week today,
Since you last spoke to me,
And I'm sorry for what happened,
But I want you now to see,
That I'm changing all my action,
I don't want to set you free.

And I'll wait here on my own,
And I'll wait for you to see,
All the time I've spent alone now,
Won't comfort me.

Always, all ways,
I want to see this through,
2 weeks 4 days,
Since I last spoke to you,
I guess I'm trying to say I'm sorry,
I can't change what I have done,
Maybe apart of you still loves me,
Maybe apart of you was wrong.

And I'll wait here on my own,

And I'll wait for you to see,
All the times I've spent alone now,
Won't comfort me.

And I'll wait here for you,
And I'll wait here for you,
And through everything you do,
I'll still wait, I'll still wait.

And I'll wait here for you,
And I'll wait here for you,
And through everything you do,
I'll still wait.

And I'll wait here for you,
And I'll wait here for you,
And through everything you do,

I'll still wait, I'll wait.
