I don't take, I just steel,
A lesson learned,
How you think, how you feel
It's complicated,
I won't take what you see,
It's over rated,
Everything is movin faster,
Take a while, take it all,
What's stopping you,
take a chance, see it fall,
A longer view,
Help me out, get your gun,
It's laughable,
I can tell it's no fun, not anymore

[chorus]

It's not what you say it all,
It's not what you say it all,
It's not what you say it all,
It's what you do.

Laugh it up, dont'cha see,
What's on your mind,
Lose your bets,
Time to deal,
Who's got their hand,
Tiny start makes you feel,
Makes you feel that everyone is operating circles,
I don't like, I don't know,
You anymore,
I can take,
I can look,
I shut the door,
No more games,
No more time,
We're overdue,
No more pain, no more lies will start with you,

[chorus]

It's not what you say it all,
It's not what you say it all,
It's not what you say it all,

It's what you do,
It's not what you say it all,
It's not what you say it all,
It's not what you say it all,
It's what you do.

Everytime you lose,
Everytime you take,
Every lie you choose,
Everyway you break,
Is it all because I can see your fake,
It's not what you say,
Everytime you lose,
Everytime you take,
Every lie you choose,
Everyway you break,
Is it all because I can see your fake,
It's not what you say,
It's what you do.

[chorus]

It's not what you say it all,
It's not what you say it all,
It's not what you say it all,
It's what you do,
It's not what you say it all,
It's not what you say it all,
It's not what you say it all,
It's what you do,
It's not what you say it all,
It's not what you say it all,
It's not what you say it all,
It's what you do,
It's not what you say it all,
It's what you do
