hey've got nothing left
it is plain to see
they're wanting for the best in every way
scar and mind
heart and soul
it doesn't matter now cause I can now resign

we'll all resign
then I'll blame it all on you
now we're falling down
for the death

you got a new communication
and it's bothering me
and you didn't start complaining
until your self defeat
cause I got no time
can you hold the line
just goes into negative and I go away to die

we all will die
then I'll blame it all on you
now we're falling down
falling down [for the death]

falling down [for the death]
falling down [for the death]

nothing heals for
nothing heals for you
