Everybody tried to smile a mile wide
You're the one I take for granted, kissed and said
goodnight
Yellow, she can wait
Sorrow, she'll catch up, she will be here, she will be
here
When I see it, different
Sometimes wants me all alone
Sometimes kisses, we're there
Sometimes lets me go to her
Get a little heart (when I see you)
Super cut the power
They're only college kids

Gave them money's worth
Yellow, she can wait
Sorrow, she'll catch up, she will be here, she will be
here
When I see it, different
Sometimes wants me all alone
Sometimes kisses, we're there
Sometimes lets me go to her
When I see it
Sometimes wants me
Sometimes kisses
Sometimes lets me
Yellow sorrow
