Everything around me is a negative surrounding  
Inside I'm drowning, away from the land  
Everybody's speaking but I'm not receiving  
the message you're portraying into my head

I put the razor to my life  
Hoping I can see the light  
My heart beats inside (killing me)

See in my head  
See things red  
Never, again

The ocean of tranquillity  
Flowing like a sinner's dream  
I throw myself into the stream  
It's all in my head  
Take a piece of me tonight  
Would anybody realise  
How empty I would feel inside  
I feel sick
