Ha ha!

So here, I lay,  
With a photograph of You and I.  
Because today, I'm inspired,  
To write a song to celebrate our love.

I said, "So don't please don't change, because your  
perfect to me"  
I said, "So don't please don't change, just for the  
moment"

I said, "So don't change a thing, because your beautiful  
in everyway"  
I said, "So don't change a thing, if your beautiful in  
everyway"

And who you are is who you are,  
And you don't have to be like someone else.  
No magazine's, or any scene,  
Is gonna change the person that I am.  
YEAH

I said, "So don't please don't change, because your  
perfect to me"  
I said, "So don't please don't change, just for the  
moment"

I said, "So don't change a thing, because your beautiful  
in everyway"  
I said, "So don't change a thing, if your beautiful in  
everyway, everyway, everyway, everyway, everyway,  
everyway, everyway!!"

Everyway!  
Everyway!

Don't change a thing, because your beautiful in  
everyway.  
I said, "Don't change a thing, because your beautiful in  
everyway"

Everyway!
