I'm just a gigolo  
Everywhere I go  
People know the part  
I'm playing

Paid for every dance  
Selling each romance  
Oh what their saying

There will come a day  
And youth will pass away  
What will they say about me

When the end comes I know  
They'll say just a gigolo  
Life goes on without me

I'm just a gigolo, everywhere I go  
People know the part I'm playing  
Paid for every dance  
Starting each romance  
Oh what their saying

And there will come a day  
And youth will pass away  
What will they say about me

When the end comes I know  
They'll say just a gigalo  
Life goes on without me

Cause I aint got nobody  
Oh and there's nobody cares for me  
There's nobody cares for me

I'm so sad and lonely  
Sad and lonely sad and lonely  
Won't some sweet mamma  
Come and take a chance with me  
Cause I aint so bad

And I'll sing out, sweet love songs  
All of the time  
She will only be, only be  
Bip bozadee bodzee bop le bop

I aint got nobody  
Oh and there's nobody cares for me  
There's nobody cares for me

Hummala bebhuhla zeebuhla boobuhla  
Hummala bebhuhla zeebuhla bop

I ain't got nobody, nobody,  
Nobody cares for me  
Nobody , there's nobody cares for me  
I'm so sad and lonely,  
Oh lonely, oh lonely, lonely lonely

Won't some sweet mama come and rescue me  
Cause I aint so bad

And I'll sing out  
Sweet love songs  
All of the time  
She will only be, only, only, only only be  
Baby, sugar darling

I aint got nobody baby  
And there's nobody, there's nobody  
There's nobody there's nobody  
There's no one, there's no one  
Nobody, nobody, nobody  
Nobody cares for me
