Back on stage baby here I am

I don't give a damn 'cause I entertain 'em

I gotta mic in my left and a honey on my right

and that is enough to make the vibes feel tight

I feel feel feel feel feel so good

to bring my swing into your neighbourhood

oh so so so so swing the vibe

funky as I am ain't no other tonight

Chorus:

Baby show me $1+1=2$

show me all the things that you can do

show me that you need me show me that you love me

baby show me $1+1=2$

baby show me $1+1=2$

show me all the things that you can do

show me that you breathe me show me that you hug
me

baby show me $1+1=2$

Babe I count on you so would you count on me

be my beauty on tv so get out and set me free

I make you understand you are my woman I am your
man

and if it takes it all I do all what I can

You are my my my number one

and not my my my number five

so please baby please baby please baby come

please baby come and get into my life

Chorus
