It's hot outside so for me it is a brand new day that I
shall kiss
and if you feel the same way too then do the things
that I'm gonna do

all you need is a mobile phone to tell everybody: we are
not at home
and if you have to work all day
then listen what I got to say

Baby keep smilin'
you know the sun is shinin'
baby keep smilin' [4x]

I put on my glasses
and tell you how sweet your ass is

so would jump in my caddy
and call me your sweet sweet daddy

all we need is a mobile phone to tell everybody: we are
not at home
and if you have to work all day
then listen what I got to say

Baby keep smilin'
[shup shup shup do wa]
you know the sun is shinin'cont...

.
.keep on smiling keep on shining.....
