she she is the appetite my appetite for love  
and I know that she is comin' that she is comin'  
from above  
everytime I see her I just can't get enough  
she is cute she is pretty and sometimes she is tough

she is my beauty  
she is my beauty on the tv-screen - yeah she is !  
and when you see her you would know what I really  
mean

yes she got legs that reach the skies  
and she has eyes that are open wide  
so please could you jump out that damn tv  
and put those little arms all around me  
there is nothin' yeah there is nothin'  
like that little butt  
planned out designed and coproduced by god  
yeah when I see you I just can't get enough  
'cause she is cute and pretty and sometimes she is  
tough

she is my beauty  
she is my beauty on the tv-screen - yeah she is !  
and when you see her you would know what I really  
mean

she will never dissappoint me she will never make me  
cry  
she will never ever play me but her lovin' let's me  
die  
she will never dissappoint me she will never make me  
cry  
she will never ever play me but her lovin' let's me  
die

she is my beauty  
she is my beauty on the tv-screen - yeah she is !  
and when you see her you would know what I really

mean
