With a little bit of this and a little bit of that  
You can get what you see you can see what get  
And I bet that you all a little bit excited  
If you want an autograph: "honey I can write it !"  
I got girls worldwide on the planet  
Some called whitney and some called janet

I gotta girl in paris I gotta girl in rome  
I even gotta girl in the vatican dome  
I gotta girl right here I gotta girl right there  
And I gotta girlfriend everywhere  
I gott girl on the moon I gott girl on mars  
I even gotta girl that likes to dance on the stars  
I gotta girl right here and one right there  
And I gotta girlfriend everywhere

From miami beach to beluga bay  
From the milky way to east l.a:  
From st. tropez to may home cafe  
That's my way and I do it like day by day in

Afrika - amerika - europe and australia  
Asia - canada - I take 'em all and marry her  
India - arabia - to the girls of germany  
All around the planet you can be my fantasy  
I gotta girl in paris I gotta girl in rome  
I even gotta girl in the vatican dome  
I gotta girl right here I gotta girl right there  
And I gotta girlfriend everywhere  
I gott girl on the moon I gott girl on mars  
I even gotta girl that likes to dance on the stars  
I gotta girl right here and one right there  
And I gotta girlfriend everywhere

You and me - no matter where you from baby -  
No matter where you from baby - baby only you and me

I gotta girl in paris I gotta girl in rome  
I even gotta girl in the vatican dome  
I gotta girl right here I gotta girl right there  
And I gotta girlfriend everywhere

I gott girl on the moon I gott girl on mars  
I even gotta girl that likes to dance on the stars  
I gotta girl right here and one right there  
And I gotta girlfriend everywhere
