I 'm just a gigolo, and everywhere I go,
People know the part I'm playin'.
Pay for every dance, sellin' each romance,
Ooohh what they're sayin'.
There will come a day, when youth will pass away,
What will they say about me?
When the end comes I know, there was just a gigolo
Life goes on without me.
Chorus:
I ain't got nobody, nobody, cares for me,
Nobody, nobody, cares for me.
I'm so sad and lonely, sad and lonely, sad and lonely
Won't some sweet mama come and take a chance with
me?
Cause I ain't so bad.
I'm just a gigolo, and everywhere I go,
People know the part Im playin'.
Pay for every dance, sellin' each romance (each
romance),
Ooohh what they're sayin'.
There will come a day
(There will come a day),
When youth will pass away,
What will they say about me?
When the end comes I know, there was just a gigolo
(just a gigolo),
Life goes on without me
(what you say'in)).
CHORUS
There will come a day, when youth will pass away,
What will they say about me?
When the end comes I know, there was just a gigolo,
Life goes on without me.(what?)
(Life goes on without me)
CHORUS
