Listen to me, baby, you got to understand  
You're old enough to know the makings of a man  
Listen to me, baby, it's hard to settle down  
Am I asking too much for you to stick around  
Every boy wants a girl  
He can trust to the very end  
Baby, that's you  
Won't you wait but 'til then  
When I see lips beggin' to be kissed (Stop!)  
I can't stop (Stop!) I can't stop myself  
(Stop! Stop!)  
Lightnin's striking again  
Lightnin's striking again  
Nature's takin' over my one-track mind  
Believe it or not, you're in my heart all the time  
All the girls are sayin' that you'll end up a fool  
For the time being, baby, live by the rules  
When I settle down  
I want one baby on my mind  
Forgive and forget  
And I'll make up for all lost time  
If she's put together fine and she's readin' my mind  
(Stop!)  
I can't stop (Stop!) I can't stop myself  
(Stop! Stop!)  
Lightnin's striking again  
Lightnin's striking again and again and again and  
again  
Lightnin's striking again  
Lightnin's striking again  
There's a chapel in the pines  
Waiting for us around the bend  
Picture in your mind  
Love forever, but 'til then  
If she gives me a sign that she wants to make time  
(Stop!)  
I can't stop (Stop!) I can't stop myself  
(Stop! Stop!)  
Lightnin's striking again  
Lightnin's striking again and again and again and  
again

Lightnin's striking again and again and again and  
again
