One, two, three, four, five
Everybody in the car, so come on
Let's ride to the liquor-store around the corner
The boys say they want some gin and juice
But I really don't wanna
Beerbust like I had last week
I must stay deep
because talk is cheap
I like Angela, Pamela, Sandra and Rita
Ans as I continue you know
They are getting sweeter
So what can I do I really beg you my Lord
To me is flirting it's just like sport, anything fly
It's all good let me dump it
Please set in the trumpet

Refrain

A little bit of Monika in my life
A little bit of Erica by my side
A little bit of Rita is all I need
A little bit of Tina is what I see
A little bit of Sandra in the sun
A little bit of Mary all night long
A little bit of Jessica here I am
A little bit of you makes me your man

Jump up and down and move it all around
Shake your head to the sound
Put your hand on the ground
Take one step left
And one step right
One to the front and one to the side
Clap your hand once
And clap your hands twice
And if it looks like this
Then you are doing right

Refrain

I do all
To fall in love with a girl like you

You can't run and you can't hide
You and me gonna touch the sky

Refrain
