Rumors getting round  
My sweet baby, put me down  
Ain't a girl alive with  
The suffering I feel inside

Love's not making me a fool  
And when you go with me  
You play by my rules

If that's the way she wants to play  
Then I'll forget her  
She's thinking how  
She'll beat me to the punch  
But I won't let her

(CHORUS)

Shake hands and walk away  
(So look at him crying)  
Come on, come on, come on, come on  
I'm gonna shake hands and walk away  
(So look at him crying)  
Come on, come on, come on, come on now

I'll never say to you  
Breaking up is hard to do  
Cause I've got my pride  
A big man never cries

There's more to life than you  
And you'd better run too

Knowing it's our last goodbye  
It's hard to face you  
Don't expect me back for more  
I'll just erase you

(CHORUS) 2X

Shake hands and walk away  
(Walk away, walk away)

There's more to life than you  
And you'd better run too

(CHORUS) to fade
