Jimmy was a fly guy, with a big Mercedes  
He thought he could get, all type of ladies  
He made a lot of money 'cause he's a money maker  
And if he looks for style he rides jet skis in Jamaica  
He met this beautiful girl, standing at a bar  
And Jimmy could swear  
She looks like a star  
She looks like a star  
Like a star  
Like a star  
Like a star  
Star  
Star  
Star  
Star  
Sta-sta-sta'

He got the most expensive girl in the world  
The most expensive girl  
He got the most expensive girl in the world  
The most expensive girl  
(She looks like a star)  
He got the most expensive girl in the world  
The most expensive girl  
(She looks like a star)  
He got the most expensive girl in the world  
The most expensive girl

But Jimmy didn't listen, yea he didn't  
His friends warned him but he thought they must be  
kiddin'  
Jimmy fell in love like he never did before  
For any kiss he gets, she takes him to the store  
Every time she buys more than Jimmy can carry  
So she employed a butler  
And his name was Larry  
And his name was Larry  
And his name  
And his name was Larry  
Larry  
Larry  
Larry

La-la-la'

He got the most expensive girl in the world  
The most expensive girl  
He got the most expensive girl in the world  
The most expensive girl  
(She looks like a star)  
He got the most expensive girl in the world  
The most expensive girl  
(She looks like a star)  
He got the most expensive girl in the world  
The most expensive girl  
(She looks like a star)

Jimmy's out of money, he spent all on his honey  
He's searchin' for a credit but his friends, regret it  
He's workin' at three jobs, but that is not enough  
To pay all her needs, to pay all her stuff  
I saw her later on a luxury ferry  
And next to her stood a man  
And his name was Larry  
Haa, haa, haa, haa, haa, haa  
Ohh man, ohh man

He got the most expensive girl in the world  
The most expensive girl  
He got the most expensive girl in the world  
The most expensive girl  
And his name was Larry

He got the most expensive girl in the world  
The most expensive girl  
He got the most expensive girl in the world  
The most expensive girl  
(Haa, haa, haa)  
(Alright hey)

He got the most expensive  
He got the most expensive  
He got the most expensive  
The most expensive girl
