I don't want the world to know  
I don't want my heart to show  
Two faces have I  
I  
I pretend that I'm happy  
But I'm Mr. blue  
I pretend that I'm happy  
Since I lost you  
Two faces have I  
One to laugh and one to cry  
Two faces have i  
One to laugh and one to cry  
Will I ever laugh again  
She'll never see me cry  
Will I walk with a smile on my face  
Knowing I live a lie  
I pretend that I'm carefree  
But what am I  
I pretend that I'm carefree  
But I'm living a lie  
Two faces have I  
One to laugh and one to cry  
Two faces have i  
One to laugh and one to cry
