Let me save thee, save thee from the den of iniquity  
Let me save thee; we're repeating Roman hist'ry  
Our mysteries on pencil & paper to touch a way of livin'  
It's not in the bag, honey, I'll bunch & sag; the Romans  
did it  
But I'll give you moonlight, old-fashioned moonlight  
Like initials on a tree, saying that you love me

CHORUS:

Back to the days of the Romans, baby, that's where  
we're goin'  
(That's where we're goin') that's where we're goin'  
Sing hallelujah, sing hallelujah

Let me save thee from walkin' the path of least  
resistance  
Let me save thee, baby don't laugh with the Devil's  
existence  
Those were fine, they were havin' some time  
When Caesar lost his handle  
I prayed for all, they were havin' a ball  
On women & scare 'em  
But I'll give you moonlight, old-fashioned moonlight  
Like initials on a tree, saying that you love me

(chorus)

Moonlight, old-fashioned moonlight  
Moonlight, old-fashioned moonlight

(chorus x2)

(repeat & fade):  
Sing hallelujah
