Staring at each other with accusing eyes
keep our voices low don't act surprised
if the word gets out, yeah, that's alright

I know you're just looking for some sympathy
but listen you don't know how it gets back to me
you're getting reckless girl, but that's alright

Bridge:
don't you know that one cold word is going to lead to
another
and then we'll have nowhere to go

Chorus:
even if heaven and earth collide tonight
we'll be all alone in a different light
I don't care what the world can't see
It's just between you and me

I see telltale signs of a love in decline
there should be something to say
but we don't take the time
and I don't understand, but that's alright

Now you can turn the page or you can tear me apart
don't make an open book out of my private heart
you should know better now, but that's alright

Bridge

Chorus

If we don't work this out we won't recover
we'll lose this soulful love for one another
but with all I've heard and all I've seen
I'm still lost in your mystery

Staring at each other with accusing eyes keep our
voices low
don't act surprised if the word gets out
yeah that's alright
