Listen to me, baby, you got to understand
You're old enough to know the makings of a man
Listen to me, baby, it's hard to settle down
Am I asking too much for you to stick around
Every boy wants a girl
He can trust to the very end
Baby, that's you
Won't you wait but 'til then
When I see lips beggin' to be kissed (Stop!)
I can't stop (Stop!) I can't stop myself
(Stop! Stop!)
Lightnin's striking again
Lightnin's striking again
Nature's takin' over my one-track mind
Believe it or not, you're in my heart all the time
All the girls are sayin' that you'll end up a fool
For the time being, baby, live by the rules
When I settle down
I want one baby on my mind
Forgive and forget

And I'll make up for all lost time
If she's put together fine and she's readin' my mind
(Stop!)
I can't stop (Stop!) I can't stop myself
(Stop! Stop!)
Lightnin's striking again
Lightnin's striking again and again and again and
again
Lightnin's striking again
Lightnin's striking again
There's a chapel in the pines
Waiting for us around the bend
Picture in your mind
Love forever, but 'til then
If she gives me a sign that she wants to make time
(Stop!)
I can't stop (Stop!) I can't stop myself
(Stop! Stop!)
Lightnin's striking again
Lightnin's striking again and again and again and
again

Lightnin's striking again and again and again and
again
