Say hello to the night  
Lost in the shadows  
Say hello to the night  
Lost in the loneliness  
Say hello to the night  
Lost in the shadows  
No one knows  
I can't wait  
I can't wait  
No when I,  
I see the lights  
In the shadows  
One must hide  
When the sun gets higher  
I don't know what this madness means  
Come the night  
Bedroom shadows  
Candle light,  
I don't know where it's coming from  
But I, I keep moving on  
Till the darkest star makes me want to try these wings  
Yeah, Yeah  
Say hello to the night  
Lost in the shadows  
Say hello to the night  
Lost in the loneliness  
Say hello to the night  
Lost in the shadows  
No one knows  
Loneliness pours over you  
Emptiness,  
Can pull you through  
Do you sleep with the light on  
I can't wait for this feeling to free me  
Yeah, yeah!  
Wind blows hard  
It doesn't matter  
Cause when the sun goes down  
Nothing else matters  
Lioness with the night light  
I will wait outside her window tonight

Say hello to the night  
Lost in the shadows  
Say hello to the night  
Lost in the loneliness  
Say hello to the night  
Lost in the shadows  
No one knows  
Say hello to the night  
Lost Boys  
Lost in the shadows  
Say hello to the night  
Lost in the loneliness  
Say hello to the night  
Lost in the shadows  
No one knows  
(whispered) The Lost Boys  
(7 "pants") Lost Boys  
(7 "pants") Lost Boys  
Loneliness pours over you  
Emptiness can pull you through  
Do you sleep with the light on  
I can't wait for this feeling to free me  
Say hello to the night  
Lost Boys  
Lost in the shadows  
Say hello to the night  
Lost Boys  
Lost in the loneliness  
(Repeat)  
(Repeat)  
Say hello say hello to the night  
Lost Boys  
Lost in the shadows  
Say hello say hello to the night  
Lost Boys  
Lost in the loneliness  
(Repeat)  
(Repeat)  
Say hello to the night

(Repeat)
