Where is Heaven
(In your heart)

Outside, outside
Outside, outside

When the angels looked down
They saw you walk away
They knew you hurt me
More and more each day

(CHORUS)
So don't leave me (me)
Me (me) all alone (me) me
(Me) all alone
Outsi yi yi yi yi yi yide
Outside the gates of heaven
Outsi yi yi yi yi yi yide
Outside the gates of heaven

When the angels looked down
They knew my fate
They cried and cried and cried
When you closed the gate

(CHORUS)

If you'd only say
Be my, be my baby
I'd be right there by your side
(Inside, inside, inside)

Running home (running)
To catch you
The gates will open up wide

Outsi yi yi yi yi yi yide
Outside the gates of heaven
Outsi yi yi yi yi yi yide
Outside the gates of heaven

Outside, yes, I'm outside

Oh, and all alone (heaven)
(All alone) and all alone
(Heaven) heaven...
