## Lou Gramm "Arrow Thur Your Heart"

Visit "Arrow Thur Your Heart" on MotoLyrics.com

I can't take her light She's walking dynamite We go sin for sin Sometimes I wish I'd been more careful

She's got her lights on low You better come on slow The way she keeps her late night promises It's all to let you know

She'll put an arrow thru your heart Arrow thru your heart She'll put an arrow thru your heart Put an arrow thru your heart

Monday-I need her Tuesday-I need her more Wednesday-still no answer when Thursday-I know she's home She calls late, late Friday night Whatever's wrong she will make it right Saturday-I get my way but Sunday-I need her again

She'll put an arrow thru your heart An arrow thru your heart Arrow thru your heart An arrow thru your heart Another arrow thru your heart Yeah an arrow thru your heart need to hit me hard Arrow through your heart An arrow thru your heart

## LEAD GUITAR SOLO

She'll put an arrow thru your heart Arrow thru your heart She'll put an arrow thru your heart again An arrow thru your heart again Arrow thru your heart (Arrow thru your heart)

Arrow thru your heart Arrow thru your heart Arrow thru your heart Arrow thru your heart Arrow thru your heart, yeah Put an arrow thru your heart Put an arrow thru your heart Arrow thru your heart Arrow thru your heart
