I take big dreams to extremes
Nothing's going to stand in my way
I'm the live wire, I'll take you higher
Don't tell me what to do or say

Not today, tomorrow, the pain, sorrow
I'm living with it day to day
Don't even think about it now
It doesn't matter anyhow
You know I'm gonna do it anyway, hey

I got it hangin' on my hip
I got it hangin' on my hip
I'll make you believe
My heart ain't pinned to my sleeve
Hangin' on my hip

You better face facts, no turning back
You won't find me waiting in the wings
I'll take a heavy hand, to a better plan
I'll be right here when the bell rings

Today, tomorrow
The pain, sorrow
You know that it's sad
But true

Well, if they had a heart
I'd be tearing it apart
Yeah, see I can put together
Two and two, hey

Hangin' on my hip
You wanna see it
It's hangin' on my hip
Hangin' on my hip
I got it hangin' on my hip

I got it hangin' on my hip
Yeah, it's hangin' on my hip
I got it hangin' on my hip
Hangin' on my hip

I got it hangin' on my hip
Yeah, it's hangin' on my hip
Hangin' on my hip
Hangin' on my hip
