And you said we were thru but I already knew  
It was over

Now it's all I can do, just to keep my promise to you  
So lover come back

Back to the arms of the one who let you down  
needs to hold you

I know I'm not an easy man but I'll do anything I can  
just to hold you

Lover Come Back  
Lover Come Back  
Come on home

First you say that we'll try  
Then you say it's goodbye  
If I thought that you might  
I would wait here all night

I feel a shadow cross my heart  
I hear an echo of your voice in my mind

Now it's tearing me apart  
'cause I've loved you for such a long time

Lover Come Back  
Come Back  
Come on home

Lover Come Back  
Lover Come Back  
Come on home  
Lover Come Back  
Lover Come Back  
Lover Come Back  
Ohhh, Lover Come Back  
Lover come home  
Lover Come Back  
Lover Come Back  
Come on home

Lover Come Back  
Come back  
Come on home  
Come on home  
Come on home  
Lover come home  
Come on home  
Come on home  
Come on home  
Come on home  
Lover Come Back  
Lover Come Back
