I'm a little tin soldier
that wants to jump into your fire
you are a look in your eye
a dream passing by in the sky
I don't understand
all I need is treat me like a man
'cause I ain't no child
take me like I am
I got to know that I belong to you
do anything that you want to do
sing any so song that you want me to sing to you
I don't need no aggravation
I just got to make you
I just got to make you my occupation
I got to know that I belong to you
do anything that you want to do
sing any so song that you want me to sing to you

All I need is your whispered hello
smiles melting the snow
nothing heard
you eyes are deeper than time
say a love that won't rhyme without words
so now I've lost my way
I need help to show me things to say
give me your love before mine fades away
I got to know that I belong to you
do anything that you want to do
sing any so song that you want me to sing to you
oh no no
I just want some reaction
someone to give me satisfaction
all I want to do is stick with you , 'cause I love you
