Thank you anyway Mr. Deeee J.
For the play
But music can't was away
No it can't wash away my tears
I, I, I miss my baby so
And I know, ahhh, she hears your show
So I asked for our song on the radio
Say thank you anyway
I thought if you played our favorite song
She'd remember what we, what we use to share
So I, I wrote to you to see what you could do
But I know now she, she just doesn't care
So, thank you, thank you, thank you anyway
Say Mr. Deeeee J for the play
I wanna tell you that muuuusic can't wask away
No it just can't wash away my tears
Hey, hey, hey my tears
Ahhh, music can't wask away my, my tears
Mr. D. J.
