The falling leaves drift by the window
The autumn leaves of red and gold
I see your lips, the summer kisses
The sun-burned hands I used to hold

Since you went away the days grow long
And soon I'll hear old winter's song
Oh, but I miss you most of all, my darling
When autumn leaves start to fall

Yeah, yeah!
Oh, yeah!

Falling leaves drift by my window
The autumn leaves of red, red and gold
I see your lips, the summer kisses
The sun-burned hands that I used to hold

I said, since you went away the days grow long
And soon I'll hear, gonna hear old winter's song
Oh, but I miss you most of all, my darling
That is when autumn leaves start to fall

Autumn leaves
Start to fallin' from the trees
Autumn leaves
Fallin' on down
