Down here on the ground  
It ain't no place for living  
No, no, no  
Down here on the ground  
Watching the sparrows fly high

I watch the birds  
As they make their wings  
Flying solid free  
How I wish it were me

But I'm down here on the ground  
And I'm wanting something better  
I'm down here on the ground  
Wanting something more

One morning soon  
I will find  
Some wings on my mind  
To take me high

So if you hear a sound  
From down here on the ground  
My friends  
It's only me  
Trying to fly  
Trying to fly  
I would love to fly  
Because I'm tired of being  
Down here on the ground  
I'm tired of being  
Down here on the ground, yeah

One morning soon  
I gotta find  
Some wings on my mind  
Wings to take me high

So if you hear a sound  
If you hear a sound  
From down here on the ground  
I said my friends

It's only me  
I will be trying to fly  
Trying to fly  
Live a bird I would love to fly  
Because I'm tired of being  
Down here on the ground  
Yes I'm tired of being  
Down here on the ground, yeah
