Something's happening here  
What it is ain't exactly clear  
There's a man with a gun over there  
Telling me I got to beware

I think it's time we stop  
Children, what's that sound?  
Everybody look what's going down

Battle lines bein' drawn  
Nobody's right if everyone's wrong  
People speaking their minds  
Getting so much resistance from behind

Yeah, stop, children, what's that sound?  
Everybody look what's going down  
Stop, hey, what's that sound?  
Everybody look what's going down

What a field day for the heat  
Ten thousand people in the street  
Singing songs and carrying signs  
Mostly say, "Hooray for our side!"

I think it's time we stop  
Children, what's that sound?  
Everybody look what's going down  
Stop, hey, what's that sound?  
Everybody look what's going down

Paranoia strikes deep  
Into your life it will creep  
It starts when you're always afraid  
Step out of line, the man's coming to take you away

Yeah, stop, children, what's that sound?  
Everybody look what's going down  
Stop, hey, what's that sound?  
Everybody look what's going down

Stop, hey, what's that sound?  
Everybody look what's going

You better stop

Stop

You better stop

Stop

You better stop
