Livin' and loving for me
I want to be happy and free
Livin' and lovin' for me
Like a natural man (like a natural man)
A natural man (like a natural man)

Well now, I refuse to listen to people's thinkin' that I live
too high
I'm gonna taste it now before my one life streaks on by

'Cause I want to be happy and free
Livin' and lovin' for me
I want to be happy and free
Livin' and lovin' for me
Just like a natural man (like a natural man)
I said a natural man (just like a natural man)

Well now, I tried to do what others say that I should do

They say that I should fit in, fool 'em, fake it, well
Those kinda dues just make me crazy and blue
Man, I just can't take it

So when ya see me walkin', won't ya notice that proud
look in my eyes
My feet are on the ground and my soul is searchin' for
the sky

'Cause I want to be happy and free
Livin' and lovin' for me
I want to be happy and free
Livin' and lovin' for me
Just like a natural man (just like a natural man)
A natural man (just like a natural man)
Just like a natural man (just like a natural man)
My feet are on the ground (just like a natural man)
My soul is searchin' for the sky (just like a natural man)
Like a natural man (just like a natural man)
No more "Yes, sir" (just like a natural man)
No more "Yes, mam" (just like a natural man)
Huh, 'cause I'm a natural man (just like a natural man)

I'm a natural man (just like a natural man)
