Love had played it's games on me so long,
I started to believe I'd never find anyone,
Doubt had tried to convince me to give in,
Said you can't win...

But one day the sun it came a'shinin' through,
The rain had stopped, and the skies were blue,
And oh, what a revelation, to see,
Someone was saying "I love you" to me,

A one in a million, chance of a lifetime,
And life showed compassion,
And sent to me a stroke of love called you,
A one in a million you.

I was a lonely man with empty arms to fill,
Then I found a piece of happiness to call my own.
And life is worth living, again,
For to love you, to me, is to live.

A one in a million, chance of a lifetime.
And life, showed compassion,
And sent to me, a stroke of love, called you.
A one in a million you.

A one in a million, chance of a lifetime,
And life, showed compassion,
And sent to me, a stroke of love called you..
A one in a million you, a one in a million.....you.
