You'll never find
as long as you live
Someone who loves you
tender like I do

You'll never find
no matter where you search
Someone who cares about you
the way I do

Woh I'm not braggin'
on myself baby
But I'm the one
who loves you
And there's no one else
No-oh-oh-oh-oh-oh-oh
one else

You'll never find
It'll take the end
of all time
Someone to understand you
like I do
You'll never find
the rhythm, the rhyme
All the magic we shared
just us two

Woh, I'm not tryin' to make
you stay, baby
But I know some how
some day, some way

You are
(You're gonna miss my lovin')
You're gonna miss my lovin'
(You're gonna miss my lovin')
You're gonna miss my lovin'
(You're gonna miss my lovin')
You're gonna miss
you're gonna miss my love

Woh oh oh oh oh
(You're gonna miss my lovin')
Late in the midnight hour, baby
(You're gonna miss my lovin')
When it's cold outside
(You're gonna miss my lovin')
You're gonna miss
you're gonna miss my love
You'll never find
another love like mine
Someone who needs you
like I do
You'll never see
what you've found in me
You'll keep searching and searching
your whole life through

Woh I don't wish you
no bad luck, baby
But there's no ifs
and buts or maybes

(You're gonna)
You're gonna miss (miss my lovin')
You're gonna miss my lovin'
(You're gonna miss my lovin')
I know you're gonna miss my lovin'
(You're gonna miss my lovin')
You're gonna miss
you're gonna miss my love

Woh oh oh oh oh
(You're gonna miss my lovin')
Late in the midnight hour, baby
(You're gonna miss my lovin')
When it gets real cold outside
(You're gonna miss my lovin')
I know, I know that you
are gonna miss my love

Let me tell you that
you're gonna miss my lovin'
Yes you will, baby
(You're gonna miss my lovin')
When I'm long gone
(You're gonna miss my lovin')
I know, I know, I know that
you are gonna miss my lovin'

Woh oh oh oh oh
(You're gonna miss my lovin')...

(repeat to fade)
