You'll never find, as long as you live
Someone who loves you tender like I do
You'll never find, no matter where you search
Someone who cares about you the way I do

Oh, I'm not braggin' on myself, baby
But I'm the one who loves you
And there's no one else, no one else

You'll never find, it'll take the end of all time
Someone to understand you like I do
You'll never find the rhythm, the rhyme
All the magic we shared, just us two

Oh, I'm not tryin' to make you stay, baby
But I know some how, some day, some way
You are
(You're gonna miss my lovin')
You're gonna miss my lovin'

(You're gonna miss my lovin')
You're gonna miss my lovin'
(You're gonna miss my lovin')
You're gonna miss
You're gonna miss my love, oh

(You're gonna miss my lovin')
Late in the midnight hour, baby
(You're gonna miss my lovin')

When it's cold outside
(You're gonna miss my lovin')
You're gonna miss
You're gonna miss my love

You'll never find another love like mine
Someone who needs you like I do
You'll never see, oh, what you've found in me

You'll keep searching and
Searching your whole life through
Oh, I don't wish you no bad luck, baby

But there's no ifs and buts or maybes

(You're gonna miss my lovin')
You're gonna miss
You're gonna miss my lovin'
(You're gonna miss my lovin')

I know you're gonna miss my lovin'
(You're gonna miss my lovin')
You're gonna miss
You're gonna miss my love, oh

(You're gonna miss my lovin')
Late in the midnight hour, baby
(You're gonna miss my lovin')
When it gets real cold outside
(You're gonna miss my lovin')
I know, I know that you are gonna miss my love

Let me tell you that you're gonna miss my lovin'
(You're gonna miss my lovin')
Yes, you will, baby
(You're gonna miss my lovin')

When I'm long gone
(You're gonna miss my lovin')
I know, I know, I know
That you are gonna miss my lovin'
