Jim, livin' with you'd not such fun  
You're not the only one  
You don't have the looks  
You're not the person that you used to be  
And there are people on the street that would go for  
me

And I said, no, no, no, no, no  
Baby face  
And I said, no, no, no, no, no  
Baby face

I met you in a bar in I.a.  
I was not feeling so good  
You did the proper moves  
You did everything that you should  
But now you're making a mistake  
And somebody else will take your place  
You're taking drugs off of me

And I said, no, no, no, no, no  
I said now, no, no, no, no, no  
I said now, no, no, no, no, no  
Baby face  
I said, now, no, no, no, no, no  
Baby face

You're not the kind of person  
It's easy to live with in a house  
I cook all your meals  
I make sure that you work out  
But lately it's been gettin' so hard  
(man, you don't split your stash with your blood)  
The way you talk, ooohhh, the way you walk  
(you can keep it)  
And I'm not sure exactly what it's all about

And I said, no, no, no, no, no  
Baby face  
I said, now, no, no, no, no, no  
Baby face  
I said now, no, no, no, no, no

I said now, no, no, no, no  
Ooohhh, baby face, ohh  
No, no, baby face  
No way, no, baby face  
Uh, uh  
(you can keep it, just keep it)
