It's been a long time, since I've spoken to you
Was it the right time?
Your current troubles, and you know, they'll get much
worse
I hope you know how much you enjoy them

You're a pig of a person, if there's a justice in this world
Hey, how about that?
Your lack of conscience and your lack of morality
Well, more and more people know all about it

Do you remember that song
By a dude named Bobby Fuller
It went like this
I fought the law and the law won
I fought the law and the law won

We sat around the other night, me and the guys
Trying to find the right word
That would best fit and describe
You people like that

That no principle has touched, no principle's baptized
How about that?
They'd eat shit and say it tasted good
If there was some money in it for them

Hey, you remember that song about this guy from
Texas
Whose name was, Bobby Fuller
I'll sing it for you, it went like this
I fought the law and the law won
I fought the law and the law won

You're just dirt
You're just dirt
The only word for you is dirt
That's the only word that hurt

You're just dirt
That's all you're worth cheap, cheap dirt
You know they call it

Cheap, cheap, cheap, cheap, uptown dirt

You're just, cheap, cheap, cheap, cheap, uptown dirt

You're just dirt, nothing but cheap uptown dirt

That's all you're worth it's just, cheap, cheap, uptown dirt

That's all you're worth now

Cheap, cheap, cheap, cheap, uptown dirt

You're just dirt

Cheap, cheap, cheap, cheap, uptown dirt

Cheap, cheap, cheap, cheap, uptown dirt

Cheap, cheap, cheap, cheap, uptown dirt

Cheap, cheap, cheap, cheap, uptown dirt
