Well they call me a juicy hop-frog
you can see me in any wood bog
don't you know that they call me the hop-frog
hopping frog
I'm a hop-frog
a hop-frog
they call me the hop-frog
hop, hop-frog
They call me the hop-frog
see me in any wood bog
don't you know that call me a hop-frog
hop-frog
They call me the hop-frog
see me in a wood bog
they're calling me a hop-frog
hop-frog
You can see me in a ballroom
you can see me in a bedroom
you can see me in the woods
hop, hop-frog
They call me the hop-frog
they call you the hop-frog
well they call you the hop-frog
hop, hop-frog
